

# This Masquerade

George Benson

Are we really happy here  
With this lonely game we play  
Looking for words to say  
Searching but not finding  
Understanding any way  
We're lost in a mask, masquerade Both afraid to say we're just too far away  
From being close together from the start  
We tried to talk it over  
But the words got in the way  
We're lost inside this lonely game we  
play Thoughts of weeping disappear  
Every time I see your eyes  
No matter how hard I try, oooh  
To understand the reasons  
That we carry on this way  
We're lost in a masquerade  
We're both afraid to say we're just too  
far away, mmmm  
From being close together from the start  
We tried to talk it over  
But the words got in the way  
We're lost inside this lonely game we play  
Thoughts of weeping disappear  
Every time I see your face  
No matter how hard I... try, mmmm  
To understand the reasons,  
Why we carry on this way?  
We're lost in a masquerade  
Whoa, in a masquerade, mmmm
