

# Tip Toe Wing In My Jawwdinz

## Riff Raff

Tip-toeing in my Jordans  
I done came down  
Tip-toeing in my Jordans  
Just copped a Porsche  
Tip-toeing in my foreign  
You motherfuckers borin'  
You sleeping on me, snorin'  
Don't worry, cause I'm Tip-toeing in my Jordans  
I done came down  
Tip-toeing in my Jordans  
Just copped a Porsche  
Tip-toeing in my foreign  
You motherfuckers borin'  
You sleeping on me, snorin'  
Don't worry, cause I'm  
What's up to my partners, what's up to my haters  
I done fucked around and sang a hook like Anita Baker  
Neon Icon, 57 city tourin'  
I'm first class to Spain, you still buying Ralph Lauren (Polo!)  
Might rock huaraches in a photo, Porsche big body  
My shirt say Versace, TV screen in my left pocket  
I'm from California, but I done moved to Texas  
My bad, I'm dyslexic in a four-door mango Lexus  
At the titty bar, I ain't afraid to tip em  
Me and Sergio throwing pesos at some strippers  
Still rocking Js, still fuck minimum wage  
I just left neon rave, tip-toeing through my batcave, cause I'm  
Tip-toeing in my Jordans  
I done came down  
Tip-toeing in my Jordans  
Just copped a Porsche  
Tip-toeing in my foreign  
You motherfuckers borin'  
You sleeping on me, snorin'  
Don't worry, cause I'm Tip-toeing in my Jordans  
I done came down  
Tip-toeing in my Jordans  
Just copped a Porsche  
Tip-toeing in my foreign  
You motherfuckers borin'  
You sleeping on me, snorin'  
Don't worry, cause I'm Tip-toeing in my Jordans

Waking up at the crack of dawn, webcam recordin'  
All my girlfriends gorgeous, you probably can't afford them  
My Brazilian twins got flagged and deported  
This one's for them ballers who be rocking fresh Jordans  
Security gate, finger scan, panther on the porches  
Back door open, Otis pulled up in a Lotus  
Used to drive a Focus but we're still rocking Jordans  
California rolled shrimp, temporal  
I'm rocking seven rings like my last name was Jordan  
I'm at a slumber party, girls only, got you mad  
But you can sleep outside, here's my Versace sleeping bag  
Tip-toeing in my Jordans  
I done came down  
Tip-toeing in my Jordans  
Just copped a Porsche  
Tip-toeing in my foreign  
You motherfuckers borin'  
You sleeping on me, snorin'  
Don't worry, cause I'm  
Tip-toeing in my Jordans  
I done came down  
Tip-toeing in my Jordans  
Just copped a Porsche  
Tip-toeing in my foreign  
You motherfuckers borin'  
You sleeping on me, snorin'  
Don't worry, cause I'm
