

Rains It Pours

Dirty Heads

Well theres a hole in my heart where your love used to
be,I try and fill it with old memories, but since you
left its been gone all along yeah, my love for you
burns hot like the sun.Theres a hole in my pocket where
my money fall from, it seems to fall faster than it
comes yeah, I try and save it but it just cant be done
nah, my money burns hot like the sun.

chorus:

when it rains it pours and its comin down its raining
down from the skies above, when it rains it pours and
its comin down i spent my money and i lost my love.
spent my money and i lost my love, its comin down from
the skies above, i spent my money and i lost my love
its comin down from the skies above.

well i got raindrops falling on the top of my head but
they fell heavy as rocks from all these words that they
head and all these lies that they told and all these
promises gone will fill your futures with gold for just
another hit song.

im sick and tired of sitting and listening to your
babbling about how you wanna save all my problems but
you havent been and days they go by and then im still
left to dry and man you wonder why im yellin im just
sick of the lies coz

(chorus)

rain falling down, rain falling down, black clouds
callin and they wont go away, the rain comes down when
the skies turn grey, black clouds callin and they wont
go away, the rain comes down when the skies turn grey,
black clouds callin and they wont go away, the rain
comes down coz

(chorus)
