

# Closer (Diamond Rings Remix)

Tegan and Sara

All I want to get is, a little bit closer  
All I want to know is, can you come a little closer? Here comes the breath before we get, a little  
bit closer  
Here comes the rush before we touch, come a little closer The doors are open, the wind is really  
blowing  
The night sky is changing overhead It's not just all physical  
I'm the type who won't get oh so critical  
So let's make things physical  
I won't treat you like you're oh so typical  
I won't treat you like you're oh so typical All you think of lately is getting underneath me  
All I dream of lately is how to get you underneath me  
Here comes the heat before we meet, a little bit closer  
Here comes the spark before the dark, come a little closer The lights are off and the sun is  
finally setting  
The night sky is changing overhead It's not just all physical  
I'm the type who won't get oh so critical  
So let's make things physical  
I won't treat you like you're oh so typical  
I want you close, I want you  
I won't treat you like you're typical  
I want you close, I want you  
I won't treat you like you're typical Here come the dreams of you and me  
Here come the dreams  
Here come the dreams of you and me  
Here come the dreams  
It's not just all physical  
I'm the type who won't get oh so critical  
So let's make things physical  
I won't treat you like you're oh so typical  
I want you close, I want you  
I won't treat you like you're typical  
I want you close, I want you  
I won't treat you like you're typical  
I won't treat you like you're typical  
I won't treat you like you're typical All I want to get is, a little bit closer  
All I want to know is, can you come a little closer?
