Blake Shelton

Another summer day
Has come and gone away
In Paris and Rome
But I wanna go home Maybe surrounded by
A million people
I Still feel all alone
I just wanna go home
Oh, I miss you, you know And I've been keeping all the letters that
I wrote to you
Each one a line or two "I'm fine baby, how are you?"
Well I would send them but I know that it's just not enough
My words were cold and flat And you deserve more than that
Another airplane
Another sunny place I'm lucky I know
But I wanna go home I've got to go home Let me go home I'm just too far
From where you are I wanna come home And I feel just like I'm living someone else's life
It's like I just stepped outside
When everything was going right
And I know just why you could not
Come along with me
This was not your dream
But you always believed in me Another winter day has come
And gone away
And even Paris and Rome
And I wanna go home
Let me go home
And I'm surrounded by
A million people
I Still feel alone And
I wanna go home
I miss you, you know
Let me go home I've had my run
Baby, I'm done I'm coming back home Let me go home
It will all be alright
I'll be home tonight
I'm coming back home
