

# McKay & Cassie

## Labrinth

[Verse]

Queen of my pitiful soul  
Console me, don't let me go  
Baby, baby, baby  
Ain't nobody gonna hurt?you  
So?feed me with?those pretty lies  
'Cause there ain't no?escaping  
Those ocean eyes, oh  
Baby, baby, baby  
I kill anybody that hurt you

[Outro]

Hurt, hurt, hurt, hurt, hurt  
Hurt, hurt, hurt, hurt, hurt  
Hurt, hurt, hu-hurt, hu-hurt  
Hurt, hurt, hurt, hurt, hurt  
Hurt, hurt, hurt, hurt, hurt  
Hurt, hurt, hu-hurt, hu-hurt
