

Thursday

The Weeknd

I love her, today
Cause it's Wednesday, I won't be late
I don't need to know if you're feeling when I'm free
Not on Monday, Tuesday, Wednesday,
Friday, Saturday
Sunday but on Thursday... Thursday
Not on Monday, Tuesday, Wednesday, Friday, Saturday
Sunday but on Thursday, make sure you are thirsty
Ohhhh on Thursday, baby get ready ohhh on Thursday
Woahhoooh hold it ohh on Thursday,
just wait on Thursday, baby only Thursday
Girl I try, Girl I try
I've been here for too long
Baby don't cry
Why are you calling again?
But It's not Thursday, baby why you calling?
Not on Monday, Tuesday, Wednesday, Friday, Saturday
Sunday but on Thursday... Thursday
Not on Monday, Tuesday, Wednesday, Friday, Saturday
Sunday but on Thursday, make sure you are thirsty
Ohhhh on thursday, baby get ready ohhh on Thursday
Woahhoooh hold it ohh on Thursday,
just wait on Thursday, baby only Thursday
Thursday, Thursday, Thursday, Thursday
