

# My Name (Wearing Me Out)

## Shinedown

### [Verse 1]

My name is worthless like you told me I once was  
My name is empty cause you drained away the love  
My name is searching since you stole my only soul  
My name is hatred and the reasons we both know

### [Pre-Chorus 1]

Worthless, empty, searching, hatred  
Well who am I right now?

### [Chorus]

You're fuckin' wearing me out  
You're always dragging me down  
You're the fake, fallen, force of nature, sick mind  
I don't need a dollar to take back what's mine  
It's over, it's over now  
You're done wearing me out

### [Verse 2]

My name is screaming like the sound of your heart failing  
My name is loco like the motive that betrayed me

### [Pre-Chorus 2]

Screaming, loco, don't say you know  
Who I am right now

### [Chorus]

You're fuckin' wearing me out  
You're always dragging me down  
You're the fake, fallen, force of nature, sick mind  
I don't need a dollar to take back what's mine  
It's over, it's over now  
You're done wearing me out

### [Bridge]

You're wearing me out  
You're wearing me out  
You're wearing me out  
You're wearing me out  
You're wearing me out

You're wearing me out

You'll be ancient history  
But who am I right now?

My name is revenge and I'm here to save my name

[Chorus]

You're fuckin' wearing me out  
You're always dragging me down  
You're the fake, fallen, force of nature, sick mind  
I don't need a dollar to take back what's mine  
(You're fuckin' wearing me out)  
It's over  
(You're always dragging me down)  
It's over  
It's over  
You're the fake, fallen, force of nature, sick mind  
I don't need a dollar to take back what's mine  
It's over  
It's over now  
You're done wearing me out
