

# Bummin' Cigarettes

Maren Morris

[Verse 1]

I need to get more sleep, I been stayin' up all night  
Maybe when I drink, I need to stick to red wine  
I need to pick up the phone, see what's goin' on back home  
Just admit, when I'm with him, I still feel alone

[Chorus]

I been goin' down a road that's a little too traveled  
I should find the common thread that makes it all unravel  
Like layin' down my dollar just for a temporary high  
I gotta quit bummin' cigarettes from the wrong guys

[Verse 2]

I should slow this train and take my own advice  
Stop sayin' that some day, I'm gonna make it right  
It's just a red light, it's just a wrong turn  
Another drag on a Friday night  
It's about time I learned

[Chorus]

I been goin' down a road that's a little too traveled  
I should find the common thread that makes it all unravel  
Like layin' down my dollar just for a temporary high  
And I gotta quit bummin' cigarettes from the wrong guys  
Oh-oh-oh

[Chorus]

I been goin' down a road that's a little too traveled  
I should find the common thread that makes it all unravel  
Like layin' down my dollar just for a temporary high  
I gotta quit bummin' cigarettes from the wrong guys

[Outro]

Stop layin' down my heart and find my own light  
I got to quit bummin' cigarettes from the wrong guys
