

# What I Cannot Change

[LeAnn Rimes](#)

I know what makes me comfortable  
And I know what makes me tick  
And when I need to get my way  
I know how to pour it on thick Cream and sugar in my coffee  
Right away when I awake  
I face the day and pray to God  
I won't make the same mistakes  
All the rest is out of my hands I will learn to let go what I cannot change  
I will learn to forgive what I cannot change  
I will learn to love what I cannot change  
But I will change, I will change  
Whatever I, whenever I can  
Yeah, I don't know my father  
Or my mother well enough  
It seems like every time we talk  
We can't get past the little stuff The pain is self-inflicting  
I know it's not good for my health  
But it's easier to please the world  
Than it is to please myself  
All the rest is out of my hands I will learn to let go what I cannot change  
I will learn to forgive what I cannot change  
I will learn to love what I cannot change  
But I will change, I will change  
Whatever I, whenever I can Right now I can't care about  
How everyone else really feels  
I have enough hurt of my own to heal  
I will learn to let go what I cannot change  
I will learn to forgive what I cannot change  
I will learn to let go what I cannot change  
I will learn to forgive what I cannot change I will learn to love what I cannot change  
But I will change, I will change  
Whatever I, whenever I can
