

# Take Me Back to Then

**Bobby Caldwell**

When I was young  
I used to play  
On the sand by the bay  
What I've got now  
I'd give it all away  
Just to have some fun  
Life was all  
I had a ship  
And sailed it to the end  
Why can't I go there again  
Take me back to then  
When life was mellow  
Where we had golden sun  
Take me back, I said  
I can't continue  
With the world I'm in  
Playing in the park  
Every afternoon  
I've grown old  
Far too soon  
Someone please tell me why  
I can't be made to see  
What good's left in my life  
Is this the end of me  
There's a tear  
For all the dreams  
That I left behind  
They'll always be on my mind
