

I'm Missin' Your Love

Kem

[Verse 1]

I'm thinkin' 'bout you, baby
And that don't ease the pain
But I knew that, baby, the moment I started
Thinkin' 'bout you, baby
That don't make it any easier

[Pre-Chorus]

I said I wouldn't do it, baby
Thought I could take you being gone
Thought I'd put my mind to it love, yeah
But I just couldn't make it on my own
And I'm breakin' down

[Chorus 1]

I'm missin' yo' love, baby
I'm goin' through it, baby
Missin' yo' love, baby
Who am I foolin', baby

[Verse 2]

I'm here without you, girl
And that don't mean a thing
I'm here without you, baby
Everything has changed
And I've tried to live with it, baby
I have tried to give my love away
What does take to get you
Off my mind, you know I try

[Pre-Chorus]

I said I wouldn't do it, baby, yeah
I thought I could take you being gone
I thought I'd put my mind to it love yeah
But I just couldn't make it on my own
It's a sad, sad song

[Chorus 2]

I'm missin' yo' love babe
I'm goin' through it baby, yeah

For your love baby, yeah
Who am I foolin' when I say I don't miss you everyday?
Yo' love is on my mind, baby
I'm missin' yo' love each and every day

[Outro]

And I said I wouldn't do it baby, yeah
Thought I could take you being gone
I thought I'd put my mind to it love, yeah
You know I was wrong dead wrong, baby
I'm missin' yo' love every day I can't eat, baby
I'm missin' yo' love every night I can't sleep, baby
For yo' love
Missin' yo' love, baby, yeah
It's a sad, sad song
I'm missin' yo' love
