

Work

Lil Jon

Yeah its Lil Jon again, yeah!!!
This is for the ladies like to dance

Hol up, oh no no

These ladies like to work
Work your body, work those hips
Work your body, work those hips
Work your body, work those hips
Work your body, work those hips

Go work

Go work

Go work

Go work

Yeah ladies, it's time to work
If you didn't come here to sweat
You need to leave right now
Work ladies, if you wanna work it out
I need to see your hands up

Let's go, let's go

Left to right, move your body to the bass
Left to right, move your body to the bass
Up and down, hop your body to the sound
Up and down, hop your body to the sound

Left, right, left, right

Up, down, up, down

Show me what you got, make your body tick tock
Show me what you got, make your body tick tock

Then get to me right, put an arch in your back

Then get to me right, pun an arch in your back

Tick, tock, tick, tock

Arch your back, arch your back

Let's go, let's work

Let's go, let's work

Let's go, let's work

Let's go, let's work

Let's go, let's work

Let's go, let's work

Let's go let's work your body

Work those hips

Work your body, work those hips

Work your body, work those hips
Work your body, work those hips
Work your body, work those hips
Work your body, work those hips
Work your body, work those hips
Work your body, work those hips
Work your body, work those hips
Work your body, work those hips
Work your body, work those hips

Go work
Go work
Go work
Go work

I know y'all not over that acting lot, you tired?
You thought you was working hard
No, you're not working yet
Now it's really time to work

Are you ready?

Work your body, work those hips
Work your body, work those hips
Work your body, work those hips
Work your body, work those hips

Go work
Go work
Go work
Go work
Let's go, let's work
Let's go, let's work
Let's go, let's work
Let's go, let's work
Let's go, let's work
Let's go, let's work

Zumba
