Just a Girl

No Doubt

Take this pink ribbon off my eyes I'm exposed and it's no big surprise Don't you think I know exactly where I stand This world is forcing me to hold your hand'Cause I'm just a girl, a little 'ol me Well don't let me out of your sight Oh I'm just a girl, all pretty and petite So don't let me have any rightsOh... I've had it up to here!The moment that I step outside So many reasons for me to run and hide I can't do the little things I hold so dear 'Cause it's all those little things that I fear 'Cause I'm just a girl I'd rather not be 'Cause they won't let me drive late at night Oh I'm just a girl, guess I'm some kind of freak 'Cause they all sit and stare with their eyesOh I'm just a girl, take a good look at me Just your typical prototypeOh... I've had it up to here!Oh... am I making myself clear?I'm just a girl I'm just a girl in the world... That's all that you'll let me be!I'm just a girl, living in captivity Your rule of thumb makes me worry some I'm just a girl, what's my destiny? What I've succumbed to is making me numb Oh I'm just a girl, my apologies What I've become is so burdensome Oh I'm just a girl, lucky me Twiddle-dum there's no comparisonOh... I've had it up to! Oh... I've had it up to!

Oh... I've had it up to here!
