

Higher

Unspoken

I've gotta try to do right
When life's doing me wrong
Gotta shake the dust off my feet and
Keep marching on
When trouble weighs me down
And brings me to my knees
Lord my needs are many
But that's a pretty
Yeah a pretty good place to be
Don't blame it on the preacher cos the preacher done told:
"The devil's got a target on my heart and my soul"
But let me tell you, brother, what the devil don't know
The lower I go, the more I'm gonna lift You
Higher
Higher
Higher
I'm gonna lift You
Higher
Higher
Higher
God Almighty
You are worthy
Higher
Higher
Higher
I may never get money
I may never have fame
But if I'm ever in a spotlight
I'll point it back Your way
Cos standing at the top was never ever my goal
But if you put me on a mountain then I'll tell the whole world
Singing 'Hallelujah' til I hit the dirt
Oh I'm gonna lift You
Higher
Higher
Higher
I'm gonna lift You
Higher
Higher
Higher
God Almighty
You are worthy

Higher
Higher
Higher
Hallelujah
He is worthy
Hallelujah
He is good
Leave me in rags and ruins
And I'll praise You through it
Clothe me in glory and riches
I'll praise You just the same
All that I have, all I've been given
All of my life's ambition
Is to worship
Is to honour
Is to bring You praise
I'm gonna lift You
Higher
Higher
Higher
I'm gonna lift You
Higher
Higher
Higher
God Almighty
You are worthy
Higher
Higher
Higher
God Almighty
You are worthy
