

Hustler Girl (feat. Shawn Marvel, Mitch & A Dot)

Lil Mama

Everytime i see her she be countin' that money. I can tell by swagg she's a number one stunna girl. Been around the whole world, and i ain't never seen no hustler girl. My numba one hustler

girl Little shorty hold me down

Even when i'm not around

Rollin' in and outta town

So i gotta get a crown to my number one hustler girl,

to my number one hustler girl

And she all about her queen fly, when she hit the scene

I done been around the world. And, i ain't never seen her

My number one hustler girl

She my number one hustler girl

Uh, sometimes i get higher to cope with reality. I'm a hustler and ain't nobody bad as me, nah.

Metaphorically, heavy strategy.

Thoughts through my mind that be caused cause of agony.

Listening to great telling me to say somethin' . Still i says nothin' cause i know they can't tackle me (keep running, uh yeah). They came back with me. Home runner. Home slugga, Home

actually

with myself like Dorothy and the great wizzard. Knocked out, punch game is exquisit. When i'm in the ring, i can't see the pain. I just shine like MJ and Billy Jean. Bring fire to the camp...?

(explosion).

Burn rings like ring... Ya'll hail for the day i rain. Till i make it flood. Young never came. Yeah.

Everytime i see her she be countin' that money. I can tell by swagg she's a number one stunna girl. Been around the whole world, and i ain't never seen no hustler girl. My numba one hustler

girl Little shorty hold me down

Even when i'm not around

Rollin' in and outta town

So i gotta get a crown to my number one hustler girl,

to my number one hustler girl

And she all about her queen fly, when she hit the scene

I done been around the world. And, i ain't never seen her

My number one hustler girl

She my number one hustler girl It's a new day and age. Rugrats grown up. Last bagony (??).

Ya'll gone shown up (see how the story's spin around) go nuts. When I peel out. Dust. And it's over. Who ya'll gon' call?. Ghostbusters. The big or the small. Brooklyn. Where we ball baby

ball. Out, till it hurt and we fall. Karate kid, limp it out. Bring your set. Dip it out. Who's

stoppin' me. Nobody. Er'body love Er' Er' body, godmommy. Pushing 2'45, bulgatty.

Featherweight, lean body. Ghost, can't see me. Hustling hard. Make it look easy. Everytime i

see her she be countin' that money. I can tell by swagg she's a number one stunna girl. Been

around the whole world, and i ain't never seen no hustler girl.

My numba one hustler girl Little shorty hold me down

Even when i'm not around
Rollin' in and outta town
So i gotta get a crown to my number one hustler girl,
to my number one hustler girl
And she all about her queen fly, when she hit the scene
I done been around the world. And, i ain't never seen her
My number one hustler girl
She my number one hustler girl Listen, If you grind all day you's a hustler girl
Put ya hands in tha air if you a hustler girl
Cause if you grind all day you's a hustler girl
So put your hands in tha air if you's a hustler girl Cause if you grind all day and all night, from
sundown to the sunrise,
you's a hustler girl, you's a hustler girl.
Cause if you grind all day you's a hustler girl.
So put your hands in the air if you's a hustler girl. Hustler girl Everytime i see her she be
countin' that money. I can tell by swagg she's a number one stunna girl. Been around the whole
world, and i ain't never seen no hustler girl. My numba one hustler girl Little shorty hold me
down

Even when i'm not around
Rollin' in and outta town
So i gotta get a crown to my number one hustler girl,
to my number one hustler girl
And she all about her queen fly, when she hit the scene
I done been around the world. And, i ain't never seen her
My number one hustler girl
She my number one hustler girl
