

Toy Soldiers

Marianas Trench

Who'll be my Montague now
To this broken Capulet
How, how, how if not for you
And you'll be my local hero
Be my role model
And don't, don't, don't fail me now
(My love) Don't you want love
Don't you want love
I'm your biggest fan
It's so good to finally meet ya
I deserve a little more
Wouldn't you say-oh, a-oh, a-oh
(My love)
Don't you want love
Don't you want too
Don't you think I deserve better after all that we've been through (love)
Don't you want love (love)
Now what you say-oh, a-oh, a-oh
To-o-o-o-o-oy soldiers
I'll follow you like
To-o-o-o-o-oy soldiers
I'll follow you like
To-o-o-o-o-oy soldiers
I'll follow you like
To-o-o-o-o-oy soldiers I'll follow you like
To-o-o-o-o-oy soldiers
I'll follow you like
To-o-o-o-o-oy soldiers
I'll follow you like
To-o-o-o-o-oy soldiers
I'll follow you like
To-o-o-o-o-oy soldiers
Toy soldiers
I will love you like goodbye
I will love you like you died, died
Martyred for me
(My love) Don't you want love
Don't you want this
Don't you look so shocked
That's not the way I planned it
I deserve a little more
Wouldn't you say-oh, a-oh, a-oh

(My love)
Don't you want love Don't you fight back
Know this will hurt less if you just submit so (love)
How bout a little gratitude
For what I say oh, a-oh, a-oh
To-o-o-o-o-oy soldiers I'll follow you like
To-o-o-o-o-oy soldiers
I'll follow you like To-o-o-o-o-oy soldiers
I'll follow you like
To-o-o-o-o-oy soldiers
I'll follow you like
To-o-o-o-o-oy soldiers I'll follow you like
To-o-o-o-o-oy soldiers
I'll follow you like
To-o-o-o-o-oy soldiers
I'll follow you like To-o-o-o-o-oy soldiers
They don't know you
Not like I do
Only you and I were meant to be
Understand you
Just like I do
Just like you and I were meant to be forever
One day you will
Learn to love me
One day you will
Thank me, you'll see
If I can't have you
No one can
Follow you like (toys)
To-o-o-o-o-oy soldiers
I'll follow you like
To-o-o-o-o-oy soldiers
I'll follow you like (follow you like toys)
To-o-o-o-o-oy soldiers
I'll follow you like
To-o-o-o-o-oy soldiers
I'll follow
Understand you
Just like I do
Just like you and I were meant to be
Don't know you
Not like I do
Only you and I were meant to be
Understand you
Just like I do
Just like you and I were meant to be forever
