[Verse]

Come on, stimulation
Fire, come on, stimulation
I can sneak around the truth
We can say I look, we can say I'm round that
I can sneak around the truth, we can say I look
Girl go let some too, stimulation
I can, fire, come on, I can
Fire, come on, stimulation

I look back at you, I look back at you, I look back at you
I look back at you, I look back at you, I look back at you
I look back at you, I look back at you, Turn up
