

Under Pressure

The Used & My Chemical Romance

Pressure! Pushing down on me Pressing down on you no man ask for Under pressure
That burns a building down
Splits a family in two
Puts people on streets
Bah bah dah bah bah dah
(Yeah) (Yeah) That's okay!
It's the terror of knowing
What this world is about
Watching some good friends
Screaming "Let me out!"
Pray tomorrow takes me higher
Pressure on people
People on streets
Okay!
Bah bah dah bah bah dah Chippin' around
Kick my brains round the floor These are the days
It never rains but it pours
Bah bah dah bah bah dah
People on streets
People on streets It's the terror of knowing
What this world is about
Watching some good friends
Screaming "Let me out!"
Pray tomorrow takes me higher (higher)
Turned away from it all
Like a blind man Sat on a fence but it don't work
Keep coming up with love
But it's so slashed and torn
Why? Why? Why?
Love! Love! Love! Insanity laughs under pressure we're cracking
Can't we give ourselves one more chance? Why can't we give love that one more chance?
Why can't we give love give love give love?
Give love give love give love give love give love?
Cause love's such an old fashioned word
And love dares you to care
For the people on the edge of the night
And love dares you to change our ways
Of caring about ourselves
This is our last dance
This is our last dance
This is ourselves under pressure
Under pressure

Under pressure
