

Ex's and Oh's

Atreyu

You took me home
I drank too much
Because of you, my liver turned to dust
Cold rust taste a cruel creeping cold pain
Do you understand what I mean?
When you feel your soul drop to the floor
Like a hole, like an open bleeding sore
Then you'll have bled like I've bled
Then you'll have wept as I've wept! Suck me down, it's time to rock and roll
Let's hit the bar, let's lose control
One false move; you took me home
One false move; you're all alone
But it looks so good, and it feels so nice
I paid the price
I'll cut you out, just to hear you scream
Get away from, get away from me
And I can feel my heartbeat racing
As I realize what I must do
Get away from, get away from, get away from you. I should have turned and ran like hell
Last time I got a taste of you
I should have turned and ran like hell
And I'll say we're through
I should have turned and ran like hell
The Last time I got a taste of you
I should say we're through You fell upon me like a plague
Weakness But I digress
After all this, you're just like all the rest
Suck me down, it's time to rock and roll
Let's hit the bar, let's lose control
One false move; you took me home
One false move; you're all alone
