

# When I Call Your Name

Vince Gill

I rushed home from work like I always do.  
I spent my whole day just thinking of you.  
When I walked through the front door, my whole life was changed  
Cause nobody answered when I called your name. A note on the table that told me goodbye  
Said you'd grown weary of living a lie.  
Oh, your love has ended, but mine still remains;  
But nobody answers when I call your name. Oh, the lonely sound of my voice calling  
Is driving me insane.  
And just like rain, the tears keep falling;  
But nobody answers when I call your name.  
Oh, the lonely sound of my voice calling  
Is driving me insane.  
And just like rain, the tears keep falling;  
But nobody answers when I call your name.  
Oh, nobody answers when I call your name.
