

# 5 Minutes Alone

## Pantera

I see you had your mind all made up you group of  
Pitiful liars. Before I woke to face the day, your master  
Plan transpired. -Something told me- this job had more to  
Meet the eye. My song is not believed? My words some-  
What deceiving? Now I'm unwhole.  
You've waged a war of nerves  
But you can't crush the kingdom  
Can't be what your idols are. Can't leave the scar.  
You cry for compensation. I ask you please just give us...  
5 minutes alone  
I read your eyes, your mind was made up. You took me for  
A fool. You used complexion of my skin for a counter  
Rascist tool. -You can't burn me- I've spilled my guts out  
In the past. Taken advantage of because you know where  
I've come. My past.  
You've waged a war of nerves  
But you can't crush the kingdom  
Can't be what your idols are. Can't leave the scar.  
You cry for compensation. I ask you please just give us...  
5 minutes alone
