

# Wake Up

Alanis Morissette

[Verse 1]

You like snow, but only if it's warm  
You like rain, but only if it's dry

[Pre-Chorus]

There's no sentimental value to the rose  
That fell on your floor  
There's no fundamental excuse  
For the granted I'm taken for

[Chorus]

'Cause it's easy not to  
So much easier not to  
And what goes around never comes around to you  
To you

[Verse 2]

You like pain, but only if it doesn't hurt too much  
And you sit, and you wait, to receive

[Pre-Chorus]

There's an obvious attraction  
To the path of least resistance, in your life  
There's an obvious aversion  
No amount of my insistence could make you try tonight

[Chorus]

'Cause it's easy not to  
So much easier not to  
And what goes around never comes around to you  
To you, to you  
To you, to you  
To you

[Post-Chorus]

There's no love  
No money  
No thrill anymore

[Verse 3]

Well, there's an apprehensive naked little trembling boy  
With his head in his hands  
And there's an underestimated and impatient little girl  
Raising her hand

[Chorus]

But it's easy not to  
So much easier not to  
And what goes around never comes around to you  
To you, to you

[Outro]

Get up, get up, get up off of it  
Get up, get up, get up off of it  
Get out, get out of here, enough already  
Get up, get up, get up off of it  
And wake up
