

# Age Ain't Nothing But a Number

[Aaliyah](#)

Age ain't nothing but a number  
Throwing down ain't nothing but a thing  
This something I have for you it'll never change  
Age ain't nothing but a number  
Throwing down ain't nothing but a thing  
This something I have for you it'll never change Here I am, and there you are  
Your eyes are calling me to your heart  
All you gotta do is knock, I'll let you in  
And we will feel the passion that flows within  
I don't mean to be bold, but I gotta let you know  
I gotta thang for you and I can't let go  
Age ain't nothing but a number  
Throwing down ain't nothing but a thing  
This something I have for you it'll never change  
Age ain't nothing but a number  
Throwing down ain't nothing but a thing  
This something I have for you it'll never change Take my hand, and come with me  
Let me show you to ecstasy  
Boy be brave don't be afraid  
Cause tonight we're gonna go all the way  
Don't mean to be bold, gotta let you know  
I gotta thing for you, and I can't let go my Age ain't nothing but a number  
Throwing down ain't nothing but a thing  
This something I have for you it'll never change  
Age ain't nothing but a number  
Throwing down ain't nothing but a thing  
This something I have for you it'll never change  
"So what's up, here I am, reach  
Baby Come here  
Age ain't nothin' but a number  
I don't mean to be bold, but I gotta let you know  
Liyah's got a thing for you and I can't let go ooh my Age ain't nothing but a number  
Throwing down ain't nothing but a thing  
This something I have for you it'll never change  
Age ain't nothing but a number  
Throwing down ain't nothing but a thing  
This something I have for you it'll never change
