

Sin City

The Essex Green

Sin city
Please don't take
My lover's heart, for mine will break
It's no Pittsburg
Please don't go
Ohio You can take a tug there, oh, take a train
Either way, I ain't going
It's no Pittsburg
Don't you go
Ohio
And I could see her lying in the valley
Down below
I could smell the green of those hills
Those Kentucky hills
So take a tug there, oh, take a train
Either way, I ain't going
It's no Pittsburg
Please don't go
Ohio Ohio...
