

Good Morning Judge

10cc

Well good morning Judge, how are you today
I'm in trouble, please put me away
A pretty thing took a shine to me
I couldn't stop her so I let it be
I couldn't stop her so I let it be
I couldn't stop her so I let it be
I couldn't stop her so I let it beHe didn't do it, he wasn't there
He didn't want it, he wouldn't dare
Well good morning Judge, yes I'm back again
I'm in trouble, so it's back to the pen
I found a car but I couldn't pay
I fell in love and I drove it away
I fell in love and I drove it away
I fell in love and I drove it away
I fell in love and I drove it awayHe didn't do it, he wasn't there
He didn't want it, he wouldn't dare
I didn't do it, I wasn't there
I didn't want it, I wouldn't dareAlcatraz is like a home sweet home
I'm so wanted and I'm never alone
San Quentin is the place to be
I'm so happy I don't wanna be free
So happy I don't wanna be free
So happy I don't wanna be free
So happy I don't wanna be free
