

Shakira: Bzrp Music Sessions, Vol. 53

Bizarrap & Shakira

[Intro: Shakira]
(For guys like you, ooh-ooh-ooh-ooh)
Oh-oh (Oh-oh)
(For guys like you, ooh-ooh-ooh-ooh)

[Verse 1: Shakira]
Sorry, I already caught another plane
I won't be back here, I don't want any more disappointments
So much talk of being a champion
And when I needed you, you gave me the worst version of you
Sorry, baby, it's been a while
Since I should have booted that cat
A she-wolf like me isn't for rookies

[Chorus: Shakira]
A she-wolf like me isn't for guys like you, ooh-ooh-ooh-ooh
For guys like you, ooh-ooh-ooh-ooh
I was out of your league, that's why you're
With someone just like you, ooh-ooh-ooh-ooh
Oh-oh, oh-oh

[Verse 2: Shakira]
This is for you to be mortified, to chew and swallow, swallow and chew
I won't get back with you, not if you cry, not even if you beg me
It's clear that it's not my fault if they criticize you
I only make music, sorry if it splashes you
You left me with your mom as a neighbor
The press at my door, and a debt with the Treasury
You thought you'd hurt me, but you made me stronger
Women no longer cry, women get paid

[Pre-Chorus: Shakira]
She's got the name of a good person
Clearly, it's not how it sounds
She's got the name of a good person
Clearly

[Chorus: Shakira]
A she-wolf like me isn't for guys like you, ooh-ooh-ooh-ooh
For guys like you, ooh-ooh-ooh-ooh
I was out of your league, that's why you're
With someone just like you, ooh-ooh-ooh-ooh
Oh-oh, oh-oh
