

Pretty Bitch Freestyle

Saweetie

Cal-A Keep It Lit
Pretty Bitch Music Big mama, I'm a shit talker
I see 'em copy every look, I got a few daughters
Every check I deposit got a few commas
Pretty bitch, mouth slick, I'm a good problem
I don't sleep in Gucci, hating out so boasty
He ate it with his grill, now his diamonds in my coochie
I was in the dorm stressed out with my roomie
Now I'm in a Benz, stretched out 'cause it's roomy
In love with the new me, a long way from boostin'
Since 15, I had niggas tryna seduce me
But fuck gettin' paid off the blade, you can't use me
I'm a top dollar bitch but I'm far from a hootchie (Pretty bitch music)
Trending off the selfie
Chanel me, off the top shelf please
Only fuck with niggas if they handsome and wealthy
Crab meat got my ass looking healthy
I ain't worried 'bout a blog or a bitch
Speakin' on my moves like it's news, you a snitch
Every lie off your lips get me views, I admit
All my quarantine pics going up, I ain't miss
Where the hustlas? Who ain't stingy with the tricks
I'm only sittin' on the dick if he a money making bitch
I show 'em I know how to throw it back if he can pitch
Make a switch, I can be the nine and you can be the six
Give me shoes, give me jewels, put a slurpy on my wrist
Got a zoom in the afternoon, boy, you gotta dip
It ain't rude, it's a ruse, I'm just stickin' to the script
My six inch heels click, leavin' Louis prints
Kitty pretty, so I call the cat Doja
Yo pussy stink 'cause you always drink soda
I remember my closet was in my Toyota
Sabrina ain't trip when I slept on the sofa
Our daddies caught cases, we got our diplomas
I been through it all, I can't take shit from no one (Pretty bitch music)
Icy gang like Aspen, all the pretty girls know they gotta tap in
I'm a rapper, I just plan on runnin' fashion
Bankroll in my bra, extra paddin'
He tried to leave, huh, knew it wouldn't happen
'Cause I got the fire neck like Dragoon
I'm the Birkin bag, keep my baby hairs laid
Fendi frame, the Hermes mermaid

Pretty face, no waist, first place
I'd be a billionaire if I sold my sex tape
Pretty bitch music
Pretty bitch music
