Lil' mama a party girl
She just wan' have fun too
They say you ain't wifey type
But I don't care, I want you
She like to do drugs too
She in love with guns too
They say you too piped up
But I think that I love you Lil' mama a party girl
She just wan' have fun too
They say you ain't wifey type
But I don't care, I want you
She like to do drugs too
She in love with guns too
They say you too piped up
But I think that I love you
I think that I love you I think that I love you Lil' mama a party girl
She just wan' have fun too
They say you ain't wifey type
But I don't care, I want you
She like to do drugs too
She in love with guns too
They say you too piped up
But I think that I love you
Lil' mama a party girl
She just wan' have fun too
They say you ain't wifey type
But I don't care, I want you
She like to do drugs too
She in love with guns too
They say you too piped up
But I think that I love you I think that I love you I think that I love you
