

# Loyal

## ODESZA

Loyal, loyal, loyal  
Loyal, loyal, loyal Loyal, loyal, loyal  
Loyal, loyal, loyal  
In my life, in my life  
Feel better  
In my life, in my life  
I'm loyal now  
In my life, in my life  
Feel better  
In my life, in my life  
I'm loyal now  
In my life, in my life  
Feel better  
In my life, in my life  
I'm loyal now  
In my life, in my life  
Feel better  
In my life, in my life  
I'm loyal now
