Jadakiss

you got me feeling like i aint winning,
ima starting from the beginning,
like go forest go forest,
i make so much fucking money yea there go forest,
these rims aint for sale bitch,
this whip aint for sale bitch,
and these cubans aint for sale bitch,
i been on the fucking boat like a sale bitch,
500 feet on the fucking water,
10 fucking carrots for my baby daughter,
you come thourgh,
boy place your order,i got some niggas that'll meet you at the fucking boarder,
(
i got my hoodie and my mask on,
i got my gun and my blast on,(jadakiss)
im just one of the five,
im just one with the vibes,
evil niggas is jealous,
so they just want you to die,
they ain't want you to rise,
they just want you demise,
so i be crossing my T's,
and i be dotting my i's,
you on the opposite side,
shots gonna fly,best part about it i just stay right up in yonkers and hide
Keep a gun in the door, that's all in the rideTil my niggas come home, free all of the guys
This shit is all a facade, thought it was all a surprise
I heard of the stories, seen all of the lies
Long as the work is official, and the corner supplied
At the end of the day niggas, we gonna survive
What(Don't shoot please, can't breathe
Officer don't shoot, can't breathe)
I got my hoodie and my mask on
I got my gun and my blast on
(Don't shoot please, can't breathe
Officer don't shoot, can't breathe)I'm just one of the five, I'm just one with the vibes
Can't figure it out or they don't wanna decide
In the gutter replying, mic flooded with dimes
Send you ass, I'ma hit you with the butt of the nine
Bullets soaking in pine, let 'em open your spine
Use your brain a little, my nigga open your mind
If you ain't in the circle, for a square I get you line

I know niggas is telling, I don't care about the time
Yeah I got weed on me, I don't care about the fine
From a hood where niggas don't give a fuck by design
Yeah, it's real life, it's not a rhyme
And remember, if you don't get caught it's not a crime
