

# Realize

Colbie Caillat

Take time to realize  
That your warmth is  
Crashing down on in  
Take time to realize  
That I am on your side  
Didn't I, didn't I tell you  
But I can't spell it out for you  
No it's never gonna be that simple  
No I can't spell it out for you If you just realize what I just realized  
Then we'd be perfect for each other  
And we'll never find another  
Just realize what I just realized  
We'd never have to wonder if  
We missed out on each other now  
Take time to realize  
Oh oh, I'm on your side  
Didn't I, didn't I tell you  
Take time to realize  
This all can pass you by  
Didn't I tell you  
But I can't spell it out for you  
No it's never gonna be that simple  
No I can't spell it out for you If you just realize what I just realized  
Then we'd be perfect for each other  
And we'll never find another  
Just realize what I just realized  
We'd never have to wonder if  
We missed out on each other but  
It's not the same  
No it's never the same  
If you don't feel it too  
If you meet me half way  
If you would meet me half way  
It could be the same for you If you just realize what I just realized  
Then we'd be perfect for each other  
And we'll never find another  
Just realize what I just realized  
We'd never have to wonder  
Just realize what I just realized  
If you just realize what I just realized  
Ooh ooh ooh  
Missed out on each other now

Missed out on each other now  
Realize, realize, realize, realize
