

# Walk of Shame

P!nk

[Verse 1]

One step, two steps, counting tiles on the floor  
Three steps, four steps, guess this means that I'm a whore  
Uh-oh, hell no, how long till I reach the door?  
Fuck me, my feet are sore  
I'm wearing last night's dress and I look like a hot ass mess  
Although my hair looks good 'cause I haven't slept yet!

[Chorus]

Make the elevator come a little faster  
I'm pushing all the buttons, but nothing's happening  
Please, God, don't let anybody see me  
Please, God, I'll do anything you ask of me  
I promise, no more walks of shame  
So walk this way (we're walking, we're walking)  
Walk this way (we're walking, we're walking)

[Verse 2]

Last night's bubblegum, no more bubbles, no more yum  
Where'd I get the wristband, tell me there's no tramp stamp  
One, two, three, shoot, no I know that shit ain't cute  
But, damn it, man, it sure is fun, to party 'til the sun wakes up  
Okay, now, raise two hands if you've ever been guilty  
And clap clap clap clap it out if you've walked with me

[Chorus]

Make the elevator come a little faster  
I'm pushing all the buttons, but nothing's happening  
Please, God, don't let anybody see me  
Please, God, I'll do anything you ask of me  
I promise, no more walks of shame  
So walk this way (we're walking, we're walking)  
Walk this way (we're walking, we're walking)

[Bridge]

I shouldn't have let  
'Em take my keys, take my keys  
They left me here, with too much beer  
My friends, they hung me out to dry  
It's not my fault, and that's why

I'm doin' the walk of shame

[Chorus]

Make the elevator come a little faster  
I'm pushing all the buttons, but nothing's happening  
Please, God, don't let anybody see me  
Please, God, I'll do anything you ask of me  
I promise, no more walks of shame  
So walk this way (we're walking, we're walking)  
Walk this way (we're walking, we're walking)  
So walk this way (we're walking, we're walking)  
Walk this way (we're walking, we're walking)
