

Nature Boy

Tony Bennett & Lady Gaga

[Verse 1: Lady Gaga]

There was a boy
A very strange enchanted boy
They say he wandered very far, very far
Over land and sea
A little shy and sad of eye
But very wise was he

[Chorus: Tony Bennett]

And then one day
A magic day he passed my way
And while we spoke of many things
Fools and kings
This he said to me

[Hook: Both]

"The greatest thing you'll ever learn
Is just to love and be loved in return"

[Chorus: Lady Gaga and Tony Bennett]

And then one day
A magic day he passed my way
And while we spoke of many things
Fools and kings
This he said to me

[Hook: Lady Gaga and Tony Bennett and both]

"The greatest thing you'll ever learn
Is just to love and be loved in return"
