Girl, yo beauty is a sensation  
You sittin' in the temptation  
I never knew a girl could shine like the sun  
You betta thank ya mama, cause girl you the one

Celebratin' God's best creation  
Girl, you got a beautiful vibration  
Everyday should be ya birthday, hon'  
You make the guys all dumb  
Maybe cause your blessed with the beautiful buns  
Maybe cause your beauty keep the dudes unsprung  
Wonderin' just where you got that from, from, f-from...
