

Maybe

Rocko

Maybe it's my... Maybe it's my...
Maybe it's my... Maybe it's my...
Maybe it's my... Maybe it's my...
Maybe it's my... Maybe it's my... Maybe it's the way you look
Maybe it's yo midas touch
It's our chemistry
Maybe it's the way we fuck (oh no)
It's the way you smell
I really like that fragrance
Maybe it's the way you make me feel
I feel like taking it
Maybe it's your personality
I'm diggin' your demeanor
Maybe it's yo nationality
Baby is you Latino
You's a bad bitch if ever seen one
Maybe it's da way you strut yo stuff is what make you a diva
Normally I just hit and run
But maybe I should keep her
Maybe we should cruise da city
Maybe I should leave her (oh no)
Maybe I should take her with me really I dunno
I told ha if she make me cum
Maybe I'll let her go
Maybe it's my car
Maybe 'cause I'm flexing
Maybe it's wrist piece
Gotcha bitch getting naked
Maybe it's bracelet
Maybe it's my chain
Maybe it's my swagga
Gotcha bitch off the chain
Maybe it's 'cause I'm on
Maybe it's my dougie
Maybe it's my cologne
Gotcha bitch wanna fuck me
Maybe it's how I be thuggin'
She like the way I be kicking it
Maybe it's all this money
She like the way I be getting it
Maybe it's cause she know, I got the Bin Laden
Oh tho' that I been here, Old cats that I been had

Maybe it's the Pig Latin, espanol, italino
 Maybe it's cause I'm trilingual, when I come talk to my amigos
 Maybe it's cause I'm flexin'
 Counting all these necklace'
 Maybe it's that time piece
 Gotta trying to get naked
 Maybe she just like the way I party in this bitch (I Party!)
 Pants sagging from all this money I brought up in this bitch (It's what I do!)
 Maybe it's my gangsta
 She don't fuck with them suckas!
 She know she love a hustler
 Maybe that's Why I fuck with her
 Maybe that's why she fuck with me
 Maybe cause I'm hot
 Maybe cause I'm cold
 Maybe cause you not Maybe it's my car
 Maybe 'cause I'm flexing
 Maybe it's wrist piece
 Gotcha bitch getting naked
 Maybe it's bracelet
 Maybe it's my chain
 Maybe it's my swagga
 Gotcha bitch off the chain
 Maybe it's 'cause I'm on
 Maybe it's my dougie
 Maybe it's my cologne
 Gotcha bitch wanna fuck me
 Maybe it's how I be thuggin'
 She like the way I be kicking it
 Maybe it's all this money
 She like the way I be getting it Maybe it's the way I do my thang
 Gotta these niggas hating
 Maybe it's cause I fucked they bitch
 Maybe that's why they contemplating (on what?)
 On a way to end me, maybe they just won't my spot
 They want a car like mine, maybe they just want my watch
 I just sit and watch, maybe I should say something
 But when I see them sucka niggas they don't say nothing!
 I'm an OG, I wear my stripes like a Ref!
 Maybe once I got Right, them niggas felt Left!
 Maybe I should grab that thang and kill all the confusion (blat)
 Granddaddy told me before he died just kill em with yo music!
 Maybe it's cause I'm winning, but I don't need a stress so
 Maybe 'cause I'm real nigga, that I'm so successful! Maybe it's my car
 Maybe 'cause I'm flexing
 Maybe it's wrist piece
 Gotcha bitch getting naked
 Maybe it's bracelet
 Maybe it's my chain

Maybe it's my swagga
Gotcha bitch off the chain
Maybe it's 'cause I'm on
Maybe it's my dougie
Maybe it's my cologne
Gotcha bitch wanna fuck me
Maybe it's how I be thuggin'
She like the way I be kicking it
Maybe it's all this money
She like the way I be getting it
