

# Break Away

## Tokio Hotel

I've got other plans today  
Don't need permission anyway  
'cause here we're standing after all  
With my back against the wall  
Against the wall

I put all the blame on you  
'bout me in all that I went through  
You don't give me any choice  
Now I'm gonna make some noise  
Make some noise

I feel so  
Claustrophobic here  
Watch out  
Now you better disappear  
You can't make me stay  
I'll break away  
Break away

I'm warning you, don't follow me

I won't miss you, can't you see  
What you wanted it didn't work  
Go on digging in the dirt  
In the dirt

Cold sweat on your brow  
Now you can hear me shout  
Your world is about to destruct  
Now I'm gonna pull the plug  
Pull the plug

I feel so  
Claustrophobic here  
Watch out  
Now you better disappear  
You can't make me stay  
I'll break away  
Break away

No more counting all your lies  
No more waiting for your goodbyes  
It's too late  
Much too late

You are like a bitter pill

That I had to take

Against my will

I feel so

Claustrophobic here

Watch out

Now you better disappear

You can't make me stay

I'll break away

Break away

I feel so

Claustrophobic here

Watch out

Now you better disappear

You can't make me stay

I'll break away

Break away

Break away

Break away
