

Evidence

Faith No More

[Verse 1]

If you want to open the hole
Just put your head down and go
Step beside the piece of the circumstance
You got to wash away the taste of evidence

[Bridge]

Wash it away
Evidence, evidence, evidence
Got to taste evidence

[Chorus]

I didn't feel a thing
It didn't mean a thing
Look in the eye and testify
I didn't feel a thing

[Verse 2]

Anything you say and we know you're guilty
Hands above your head and you won't even feel me
You won't feel me

[Bridge]

[Chorus]
