Harder To Breathe

Maroon 5

How dare you say that my behavior's unacceptable
So condescending, unnecessarily critical
I have the tendency of getting very physical
So watch your step cause if I do you'll need a miracleYou drain me dry and make me wonder why I'm even here
This double vision I was seeing is finally clear
You want to stay but you know very well I want you gone
Not fit to ' tread the ground that I am walking onWhen it gets cold outside and you got nobody to love
You'll understand what I mean when I say
There's no way we're gonna give upAnd like a little girl cries in the face of a monster that lives in her dreams
Is there anyone out there 'cause it's getting harder and harder to breathe
Is there anyone out there 'cause it's getting harder and harder to breathe
What you are doing is screwing things up inside my head
You should know better you never listened to a word I said
Clutching your pillow and writhing in a naked sweat
Hoping somebody someday will do you like I did
When it gets cold outside and you got nobody to love
You'll understand what I mean when I sayThere's no way we're gonna give up
And like a little girl cries in the face of a monster that lives in her dreams
Is there anyone out there 'cause it's getting harder and harder to breatheIs there anyone out there 'cause it's getting harder and harder to breathe
Does it kill
Does it burn
Is it painful to learn
That it's me that has all the control
Does it thrill
Does it sting
When you feel what I bring
And you wish that you had me to hold
When it gets cold outside and you got nobody to love
You'll understand what I mean when I say
There's no way we're gonna give up
And like a little girl cries in the face of a monster that lives in her dreams
Is there anyone out there 'cause it's getting harder and harder to breathe
Is there anyone out there 'cause it's getting harder and harder to breathe
Is there anyone out there 'cause it's getting harder and harder to breathe
