Workin' On Me

[Cole Swindell](#)

[Verse 1]
It's the way that you move when a song plays
That smile when you brush your hair away
The things that you do when you don't say
Keep workin' on me
It's the way that you walk when you walk by
The way that you come off a little shy
The way you're all up in my mind
Where you oughta be, and it just keeps

[Chorus]
Workin' on me don't know if you know it
Everything you do just gets me going
Baby, you're drivin' me crazy
You got my head spinnin' like a vinyl record
Gets me every time you're doin' whatever
You're doin' to me
Girl can't you see
It's workin' on me
[Verse 2]
All that it takes is a little touch
There you go makin' my heart rush
It's got to be more than a little crush
When I can barely breathe
You better believe

[Chorus]
It's workin' on me, don't know if you know it
Everything you do just gets me goin'
Baby, you're drivin' me crazy
You got my head spinnin' like a vinyl record
Gets me every time your doin' whatever
You're doin' to me
Girl can't you see, its workin' on me

[Bridge]
Look what you've done now
Can't go back
Too far gone now
Keep it comin'
'Cause girl I just can't get enough, can't get enough

[Chorus 2]

Yeah, you got my head spinnin' like a vinyl record
Gets me every time you're doin' whatever
You're doin' to me
Girl can't you see
It's workin' on me
[Outro]
Keep on workin' on me
