

Rihanna

Yxng Bane

Can I tell you that I'm wanting you
I'm in love with the way you move
And I think you should have a drink or two
Truth is I wanna lie with you, so come my way
Feel like you need somebody
So baby girl come my way
Feel like you need somebody
Dip low, watching her dip low
Dances on me and now she sip slow
Watching your head down to your tip toe
You know, I got something for when we get home
Get home, now you're in my zone, in my zone
And we gon' get going
Wood in your frame its like window
Turn off your garments we can bring those
I said gimme your love
You know your bad like Rihanna
I'll do you good no wahala
But I can't promise forever
Oh na nah na..
I said gimme your love
You know your bad like Rihanna
I'll do you good no wahala
But I can't promise forever
Oh na nah na..
Can I tell you that I'm wanting you
I'm in love with the way you move
And I think you should have a drink or two
Truth is I wanna lie with you, so come my way
Feel like you need somebody
