

Tip Toe (feat. French Montana)

Jason Derulo

[Verse 1: Jason Derulo]
Big fat thang, overflowing
Skinny tight dress, couldn't hold it
Way too thick like it's swollen
Girl, you're too bad and you know it
When you drop down, lose focus
When that thing clap, that's a bonus
Back at lookin' appetizing
Back at that food, it's a crisis[Pre-Chorus: Jason Derulo]
Bring that body my way
Can't take it off my brain
Look like you do ballet (yeah)
[Chorus: Jason Derulo]
Hold tight when you tiptoe
Shake something when you tiptoe
Don't brace when you push that back
Left, right, do it just like that
Hold tight when you tiptoe[Verse 2: Jason Derulo]
Ayo, God blessed you from behind (I do)
One hand up like the Heisman (touchdown)
First class seat when you're riding (oh yeah)
Wine that thing like it's spineless[Pre-Chorus: Jason Derulo]
Bring that body my way (my way)
Can't take it off my brain
Look like you do ballet
[Chorus: Jason Derulo]
Hold tight when you tiptoe
Shake something when you tiptoe
Don't brace when you push that back
Left, right, do it just like that
Hold tight when you tiptoe[Bridge: Unknown]
Wine for me darling
When you move your spine it's amazing
Now, why just wine for me darling[Verse 3: Jason Derulo]
One, trying to figure out who to give your love to
Two, racing like a freak 'til quarter past
Three, You know you're the one I've been looking for[Verse 4: French Montana & Jason Derulo]
Left cheek, right cheek
Left cheek, right cheek
Left cheek, right cheek
Left cheek, right cheek (aye, aye)

Tiptoe
Tiptoe
Chains on, got me lookin' like a disco
Who that be? In that drop [Bemo-sari?] (skrrt)
Who that be? Blowin' gas out the 'Rari (sk-skrrt)
French vanilla smooth like a honey, yeah, wine it
I sneak up from behind, "what's your name?"
"Whats your sign?" (huh)
Wind for me, darling
"You wanna' dock, yeah, or fly out?"
Wind for me, darling
Baby, "wanna' lease, rent, or buy out?"
Wind for me darling
That money keep blowin', swat, shorty tiptoe'n
Got your left cheek showin', mama
Tip...(huh)[Pre-Chorus: Jason Derulo]
Bring that body my way (my way)
Can't take it off my brain
Look like you do ballet[Chorus: Jason Derulo]
Hold tight when you tiptoe
Shake something when you tiptoe
Don't brace when you push that back
Left, right, do it just like that
Hold tight when you tip toe[Outro: Jason Derulo & Unknown]
Hold tight when you..
Wine for me darling
When you move your spine it's amazing
Now, why just wine for me darling
One-time, two-time for the DJ
Tiptoe
