

# I Want You to Know

Chantal Kreviazuk

I could you feel you  
You were there  
And I could hold you  
But you're not there  
I, I'm gonna wait  
I, I'm gonna wait  
And I'm gonna wait I just want you to know  
I want you to know  
All that I have is  
All that I forgot to say  
I want you to know  
I didn't go  
All that I have is  
All that made you run away  
I could see you  
You were there  
And I could hear you  
But you're not there  
I, I'm gonna wait  
I, I'm gonna wait  
And I'm gonna wait I just want you to know  
I want you to know  
All that I have is  
All that I forgot to say  
I want you to know  
I didn't go  
All that I have is  
All that made you run away  
I'm gonna wait  
I'm gonna wait  
I just want you to know  
I want you to know  
All that I have is  
All that I forgot to say  
I want you to know  
I didn't go  
All that I have is  
All that made you run away  
All that made you run away
