

# Somewhere In My Car

Keith Urban

I'm driving home tonight, catching all red lights.  
That's alright cause I don't want to be alone.  
There's nobody waiting there, cold and empty bed.  
Words I wished I'd said come on the radio.Ooh, oh, oh, and I don't know why I do this to  
myself.  
Ooh, oh, oh, I know you're with someone else.But in my mind were somewhere in my car  
And it's raining hard on the streetlight glow.  
You got your lips on mine, it's gasoline on fire.  
I never will forget, you grabbed my shirt and pulled it over my head  
And your fingertips slide up and down my back.  
Breathing hard, steaming up the glass  
I'd give anything if I could bring you back home.  
Oh... oh!  
So, I've been sleeping til noon in the same bedroom.  
Where I once held you and it's breaking my heart.I should take down all those pictures from my  
wall.  
Promises we made won't fill this empty space.Ooh, oh, oh, and I don't know why I just can't let  
you go.  
Ooh, oh, oh, I know you'll never coming back  
But in my mind were somewhere in my car  
And it's raining hard on the streetlight glow.  
You got your lips on mine, it's gasoline on fire  
I never will forget, you grabbed my shirt and pulled it over my head  
And your fingertips slide up and down my backBreathing hard, steaming up the glass.  
I'd give anything if I could bring you back home  
Ooh oh oh oh (bring you back)  
But in my mind were somewhere in my car  
And it's raining hard on the streetlight glow.  
You got your lips on mine, its gasoline on fire.  
I never will forget, you grabbed my shirt and pulled it over my head  
And your fingertips slide up and down my back.  
Breathing hard, steaming up the glass.  
I'd give anything if I could bring you back home.  
Ooh oh oh ooh  
Mmm mm mm mm  
If I could bring you back  
Mmm  
I just close my eyes  
Mmm  
I could hear breathing in  
Mm mm  
Keep sliding down my back.
