

# Bouncing Around the Room

## Phish

[Verse 1]

The woman was a dream I had  
Though rather hard to keep  
For when my eyes were watching hers, they closed, and I was still asleep  
For when my hand was holding hers

[Chorus]

She whispered words and I awoke  
And faintly bouncing 'round the room  
The echo of whomever spoke  
And I awoke, and faintly bouncing 'round the room  
The echo of whomever spoke

[Verse 2]

The place I sought was far beneath, the surface of the sea  
My sight was poor, but I was sure  
The sirens sang their song for me  
They dance above me as I sink

[Chorus]

I see them through a crystal haze  
And hear the bouncing 'round the room  
The neverending coral maze  
The crystal haze  
And hear the bouncing 'round the room  
The neverending coral maze  
Then before and now once more, I'm bouncing 'round the room

[Refrain (overlapping and repeating)]

That time then and once again, I'm bouncing 'round the room  
That time then and once again, I'm bouncing 'round the room  
That time then and once again, I'm bouncing 'round the room  
That time then and once again, I'm bouncing 'round the room

[Chorus (overlapping with Refrain and repeating until end)]

And I awoke, faintly bouncing 'round the room  
The echo of whomever spoke  
And I awoke, faintly bouncing 'round the room  
The echo of whomever spoke  
And I awoke, faintly bouncing 'round the room

The echo of whomever spoke
