

Valley of Tears

Solomon Burke & Gillian Welch

I've been riding high, but i don't know why everybody wants to send me down to the valley of tears. It's a sunny day and i'm on my way but everybody wants to send me down to the valley of tears. People stand in line just to hear me cry. I wanna know the other side but everyone i choose only brings bad news. Everybody wants to send me down to the valley of tears.

People stand in line just to hear me cry. I wanna know what's on the other side. I've been riding high, but i don't know why cause everybody wants to send me down to the valley of tears. It's a sunny bright day and i'm on my way but everybody wants to send me down to the valley of tears.
