

# Cover Me

## Bruce Springsteen

[Verse 1]

The times are tough now, just getting tougher  
This old world is rough, it's just getting rougher  
Cover me, come on baby, cover me

[Chorus 1]

Well I'm looking for a lover who will come on in and cover me

[Verse 2]

Promise me baby you won't let them find us  
Hold me in your arms, let's let our love blind us  
Cover me, shut the door and cover me

[Chorus 1]

Well I'm looking for a lover who will come on in and cover me

[Chorus 2]

Outside's the rain, the driving snow  
I can hear the wild wind blowing  
Turn out the light, bolt the door  
I ain't going out there no more

[Verse 3]

This whole world is out there just trying to score  
I've seen enough; I don't want to see any more  
Cover me, come on and cover me

[Chorus 1]

Well I'm looking for a lover who will come on in and cover me

[Chorus 2]

Outside's the rain, the driving snow  
I can hear the wild wind blowing  
Turn out the light, bolt the door  
I ain't going out there no more

[Chorus 1]

Well I'm looking for a lover who will come on in and cover me  
Well I'm looking for a lover who will come on in and cover me

Well I'm looking for a lover who will come on in and cover me

[Outro]

Come on baby

Come on baby

Come on baby
