

# Supermodel

SZA

I'm writing this letter to let you know  
I'm really leaving  
And no I'm not keeping your shit  
Heard you got some new homies  
Got some new hobbies  
Even a new hoe too  
Maybe she can come help you  
Maybe she can come lay do  
After we're done  
What's done is done  
I don't want nothing else to do with it Let me tell you a secret  
I been secretly banging your homeboy  
Why you in Vegas  
All up on Valentine's Day?  
Why am I so easy to forget like that?  
It can't be that easy for you to get like that Oh no she didn't  
Ooh yes I did  
Oh no she didn't  
I'll do it again Leave me lonely for prettier women  
You know I need too much attention  
For shit like that  
You know you wrong  
For shit like that I could be your supermodel  
If you believe  
If you see it in me  
See it in me  
See it in me  
I don't see myself  
Why I can't stay alone just by myself?  
Wish I was comfortable just with myself  
But I need you  
I need you  
I need you Ooh just get a load of them  
They got chemistry  
All they could say  
We like brother and sister  
Look so good together  
Bet they fuckin' for real And they was right  
That's why I stayed with ya  
The—the dick was too good  
It made me feel good  
For temporary love

You was a temporary lover  
Leave me lonely for prettier women  
You know I need too much attention  
For shit like that  
You know you wrong  
For shit like that I could be your supermodel  
If you believe  
If you see it in me  
See it in me  
See it in me I don't see myself  
Why I can't stay alone just by myself?  
Wish I was comfortable just with myself  
But I need you  
I need you  
I need you
