Call Out My Name

The Weeknd

We found each other I helped you out of a broken place You gave me comfort But falling for you was my mistakeI put you on top, I put you on top I claimed you so proud and openly And when times were rough, when times were rough I made sure I held you close to meSo call out my name (call out my name) Call out my name when I miss you So gently, I want you to stay (want you to stay) I want you to stay even though you don't want me Girl, why can't you wait? (why can't you wait, baby?) Girl, why can't you wait 'til I fall out of love? Won't you call out my name? (call out my name) Girl, call out my name and I'll be on my way And I'll be on my-I said I didn't feel nothing, baby, but I lied I almost cut a piece of myself for your life Guess I was just another pitstop 'Til you made up your mind You just wasted my timeYou're on top, I put you on top I claimed you so proud and openly, babe And when times were rough, when times were rough I made sure I held you close to—So call out my name (call out my name, baby) Call out my name when I kiss you So gently, I want you to stay (I want you to stay) I want you to stay even though you don't want me Girl, why can't you wait? (girl, why can't you wait til' I-) Girl, why can't you wait til' I fall out of loving? Babe, call out my name (say call out my name, baby) Just call out my name, and I'll be on my way Girl, I'll be on my-On my way, all the way On my way, all the way, ooh On my way, on my way, on my way On my way, on my way, on my way (On my)
