

Islands in the Stream

Bee Gees

Baby when I met you there was peace unknown
I set out to get you with a fine tooth comb
I was soft inside, there was something going on You do something to me that I can't explain
Hold me closer and I feel no pain
Every beat of my heart, we got something going on Tender love is blind
It requires a dedication
All this love we leave
Need no conversation
We ride it together, ah huh
Making love with each
other, ah huh
Islands in the stream
That is what we are
No one in between
How can we be wrong
Sail away with me
To another world And we rely on each
other, ah 443p huh
From one lover to another, ah well
I can't live without you if the love is gone Everything is nothing when you got no one
And you walk in the night
Slowly losing sight of the real thing
But that won't happen to us and we got no doubt
Too deep in love and we got no way out
And the message is clear
This could be the year for the real thing
No more will you cry
Baby I will hurt you never
We start and end as one In love forever
We can ride it together, ah ha
From one love to another, ah hu
Islands in the stream
That is what we are
No one in between
How can we be wrong
Sail away with me To another world
And we rely on each other, ah huh-'
From one lover to another, ah ha
Ghetto superstar
That is what you are
Coming from afar
Reaching for the stars

Fall away with me
To another place
And we rely on
other, ah ha**
From one lover to another, ah ha
